2. Both of the subject contracts are with the Perkin-Elmer Corporation. The items in question, which are listed in your Plant Clearance Case G-15116 as items 4, 5, and 9, are no longer required by P-E in performance of Contract -30130 inasmuch as that contract was completed recently. The transfer of this equipment to Contract -37827 has been coordinated with and concurred in by the Procurement Contracting Officer [redacted] and the Project Engineer [redacted] of Contract -30130.
